Nowadays, in modern world we have a lot of things which can influence us. Some people think that TV show has got power to influence human. Other believes that this opinion is false.

In my opinion TV shows can really influence. Firstly, shows can be stupid or unfunny, so we do not get anything from this performance. Secondly, shows can misinform citizens via news programs.

On the other hand, some people think that TV has funny and kind shows. Unfortunately, these shows are rare or they run on special channels.

To sum up, I wanted to say that TV show has negative and positive effect on people and TV show can influence to human.
