In my opinion, people get affected by TV shows, books and films in many different ways.

It's hard to deny the fact that nowadays mass media influences in ~~the~~ way people dress, eat, manage their time or even live. For example, I know a lot of people who dress up as their favourite characters and even trying to live ~~their~~ ~~like~~ characters's life.

In my opinion, the main reason that makes books, films and etc resonant and resonate with the people is that people afraid to make any decisions because living by someone's story is always easier than write your own.

In conclusion, I'd like to say that we can't live without TV shows, books or films, and it's makes our live much colourful but we shouldn't forget about reality, because ~~we can~~ even if everything looks like in movie we can make it better much better.
