Nowadays the types of mass media are becoming more and more popular. So, they are inentigrat part of our life. My personal opinion is that people get affected because of their preferences and tasties.

I consider, that books, films, TV shows give good ~~emotions~~ influential on people and positive emotions. By the way, you can learn something new, and imrove your skills.

Frankly speaking, this types of mass-media are very important because you can distract from daily routin, have some rest and get some experiance. due to them.

Taking into consederation all mentioned above, I would like to emparsize that types of mass-media can differently influence on people but they are very necessary
