Writing

I would like to tell you about the place that young people might to visit. Actually, this place is Gagarin's park in Novokuznetsk in my region.

To tell the truth, young people should see there a lot of exiting attractions, some cafes with delicious food and places where you can sit and relax.

Frankly speaking, teenagers can visit Gagarin's park with their family or friends, have a lot of positive emotions, get new fun memories and get unforgettable experience.

To my mind, my recommendation is suitable for young people because they can visit this park if they don't know what to do in free time or they are bored at holidays.
