Dear tourists,

I'll be happy to advertise and invite you to our city. Truly, my hometown is so small, but in it there are all for life, such as a big school with the kind teachers, who have an experience in their job, moreover in our city there are some places to spend a good time: parks, cinema, ~~the~~ stadium, ~~gym~~ gyms. And a main thing, in our city is the nature, there is a forest not far from Kaltan. Honestly, in our city you can buy different souvenirs, such as charms with the name of our city. I would recommend tourists to visit our city in summer because in this season is very good weather and warm, and also very beautiful. Moreover, in summer you can go to forest to collect mushrooms, or different berries, you can go to swimming to

In conclusion, I would like to emphasize again that our city is good to visit, because of his nature, and specials.
