It is common knowledge there are different cities in the world.

There are big and small city.

I live in small city - Kattan. There ~~is~~<sup>are</sup> schools, museums and DK "Energetic" in my hometown. To our city I would like to be a slogan "Kattan the best city in the world" because this is true.

As for buy souvenirs? Can you buy it at Supermarket. Can you buy pictures and myself take pictures of. Can you take picture "GROSS" and 3 schools or DK "Energetic".

Frankly speaking, come is better summer than winter because summer is sunny, a lot of celebrities and everything green.

Come to our city, we can look at a lot of beautiful landscapes and you'll be in a shock. &

All in All I want to rite, thank for you attention.
