Dear authorities,

Thanks a lot for your information. I would like to write you about how to improve the life of citizens in our Novokuznetsk.

According to my personal opinion, hospitals can help a lot of citizens, as senior as young. If you build new schools, universities, colleges you develop the life of many students and youngsters. Due to museums and libraries the culture of Novokuznetsk level up. I think, that new play grounds, renovation of stadium or swimming pool can make citizens more healthy and more activity. What about public transport, the sales on tickets can turn down.

Sorry, I have to go now. I believe that my letter will be useful.

Yours,

Daria Kutergina
