Dear government,

I can offer you spend a huge proces of renovation in Novokuznetsk. The renovations will contain such facilities as healthcare, education, culture, sports and public transport.

Actually, to improve healthcare you should build new hospitals, install new medical equipment and spend vaccinations.

Indeed, to increase education in your city you should build new schools and universities with morden equipment, spend special classes and extracurricular activities among ~~the~~ students.

In fact, to muster culture you should build new theatres, cinemas and open exhibitions and galleries.

Well, to improve outdoor sport facilities you should create opportunities for people who lead healthy life style. you should build sports grounds for many kinds of sports such as basketball, football, voleyball and others kinds of sports.

Finally to increase public transport you should buy new buses and trains which equiped well.

That's all, I hope that you will hear my ideas and renovations.
