Hello there! It's a school website and today I'd like to tell you about a school history museum. ~~I hope you'll enjoy this post and a museum.~~

There is a local museum in our school, containing a large amount of ~~information and objects from~~ interesting things from objects from World War II to plenty of information about castles in XV centuries. Our museum locates next to the library and History class. It really takes a lot of room in our school and its size is impressive!

This is so sad that ~~many students~~ <sup>and don't</sup> not many students ~~not~~ know about the museum resources ~~or~~ use them. It's surprising because information <sup>from museum</sup> ~~is known by~~ students can be used by students in their projects, esses and other school works. Moreover, it allows you one to broaden their hori mind and increase their knowledge.

Anyway, I hope you enjoyed this post ~~and~~ and changed your opinion about our school museum! See you!
