Writing

Dear Government of Novokuznetsk,

My name is Pavel. In my letter I want to suggest you some ideas how to improve citizen's life.

Firstly, It's vital to open a lot of hospitals, polyclinics and chemists to upgrade the healthcare. I think to health of citizens is very important for city.

Secondly, It's significant to build new schools, universities, open lots of new educational places. So, education is also an integral part of our life. Our city needs <sup>young</sup> talents!

~~As for~~ <sup>In addition,</sup> it would be ~~good~~ <sup>well</sup> to open new theatres, art schools, cinemas, libraries to develop cultural life. We can also build monuments, parks to improve culture.

And what about outdoor sports? So, I suggest to build a lot of sport grounds, bicycle roads in every neighbourhood. Additionally, I believe It's a good idea to build new stadium. I'm sure it will admire youngsters.

And public transport should be improve. We need to buy new buses, organize taxoparks to develop it.

That's all my ideas. I hope you'll think about them.
